MEMORANDUM FOR: [REDACTED]

SUBJECT : OTR History

1. I have been looking for material which you could use in writing the history of Training from 1946 to 1950 or thereabouts. There are several sources of information available.

2. The Office of Training has stored in its vital records [REDACTED] such items as one entire box on FM Training and TC #1, weekly reports dating from 1946, and budget reports dating from 1945, DTR files from 1947, Joint Training Committee reports, and so forth. I propose to screen this material myself to see what is available. If you want any of this or would like specific documents of whatever nature, please let me know.

3. I have a copy of a recent publication put out by the Historical Staff called "Antecedents of the Clandestine Services" an organizational chronology, October 1945 to August 1952. This is a book of 235 pages listing all the directives, administrative memos, personnel assignments, and organizational charts pertaining to that period. For example, I find that an OSO notice of 12 February 1951 established you as Training Officer of the Administrative Staff of OSO. I have been able to pick out a number of dates for training activities just by going through this book.

4. [REDACTED] has a very complete card index to activities of OSO and OPC. You might talk to him and have him show you what he has, or if you do not have time I can search that file for specific items that you would be interested in. I can also get for you [REDACTED] "History of OSS Training" if you would like to see it.

5. It might be a good idea to sketch an outline of what you want to do and then we might talk about it.
